

7th DUBAI International PARACHUTING CHAMPIONSHIP 2023 (7th DIPC 2023)

19th/20th – 28th November 2023

for the following Disciplines:

Accuracy Landing Male, Female & Juniors
Canopy Piloting Speed, Distance, Accuracy & Free Style

**Organized by the Emirates Aerosport Federation (EAF)
& Skydive Dubai**

BULLETIN No. 1 (Edition 12th June, 2023)

1. VENUE: Dubai, United Arab Emirates (UAE):

Dubai is one of the seven Emirates and the most populous state of the United Arab Emirates. It is located along the southern coast of the Arabian Gulf on the Arabian Peninsula. This venue offers plenty of hotels, shops, and beaches.

The Championship Competition site is located at Skydive Dubai Center near the "Palm Jumeirah" at the Beach and at the Marina area.

2. DISCIPLINES (and maximum number of participants per NAC):

Accuracy Landing (AL):

- 2 Male National Teams (maximum 10 competitors)
- 1 Female National Team (maximum 5 competitors)
- 2 Individual Junior Competitors female or male

Note:

1. 2 additional Individual **Junior Competitors** female or male, if not included in the team event. Junior competitors who are part of their national male or female AL team will be ranked in the team event. Also, their individual result in the team event will - according to the ISC competition rule 2023 - count in both, the individual general classification, and the relevant junior classification in the male/female individual ranking, as well.

2. The individuals need to be registered by their respective NAC's (within the maximum number above). So-called mixed (international) individuals will be formed to team groups of 5 by

للقفز بالمظلات
Dubai International
Parachuting Championship

the Meet Director and will start in the individual classification accordingly (no separate registration of international teams outside the NAC).

3. The prerequisite for the **second team Accuracy Landing (AL)** male is that only one of the two teams can be ranked for first, second & third place, provided that the result of two teams of one nation results in a placement of 1 to 3. If this happens, the team with the worse result will appear outside the overall ranking.

Canopy Piloting with Standard Events: Accuracy, Drag-Distance, Carved Speed (left hand carve) and CP Freestyle, 3 rounds each event, as stated in the ISC CP and CP Freestyle competition rules 2023.

Number of CP competitor per NAC: -4-

The **Championship** is acknowledged as an **FAI 2nd category** event.

3. EQUIPMENT:

Personal Requirements: For personal requirements including FAI Sporting Licence see Sporting Code, Section 5, 1.2.

UAE regulations require that a **head protection must be worn**. UAE National regulations do not require that life-saving equipment must be worn in the vicinity of water while skydiving. It is recommended that flotation devices be worn (especially in cases where inability to swim or stay afloat otherwise is apparent).

An AAD is mandatory for Accuracy Landing, while it is not required for Canopy Piloting for safety reasons (fast spiral spins).

For the Canopy Piloting Competitors, a quick release system (cutaway) for additional weight (lead belt) is required (see CP CR 5.3.5).

The airworthiness of parachuting equipment used is the responsibility of the competitor and registration will be taken as a declaration by the Delegation and competitor that the parachuting equipment to be used is certified as being airworthy by competent authorities (see Sporting Code, Section 5, 5.1.1 (1)). The Organizer has no responsibility in this regard, the responsibility rests fully with the Delegation and competitor.

UAE regulations require that the **reserve parachute must be repacked** after **180 days** (6 months).

4. AIMS:

- To determine champions for the 7th Dubai International Parachuting Championship in the described disciplines/events.
- To establish new World, Continental, and National Records.
- To promote safety and develop parachuting training and competition.
- To exchange ideas and strengthen friendly relations between sport parachutists, judges and support personnel all over the world.
- To allow participants to share and exchange experience, knowledge, and information.

5. RULES:

ISC Competition Rules (CR), edition 2023 with minor changes as stated in this bulletin.

6. AWARDS:

Medals and Trophies will be awarded in all disciplines/events for the first three placing according to the Competition Rules.
